What makes Lawrenceville unique? Why? It has a great community and connection to its roots, but still strives to grow and improve.

What is was one thing you would like to work on within the neighborhood? Why?
I would like to continue work in neighborhood beautification because it can lead to improvements in all aspects of the neighborhood.

What LU program or project most interests you? Why? My professional background leads me to public safety, though I am also interested in the community planning.

What is one fun fact that others might be surprised to know about you? I am a very good amateur cook. I also tend to laugh at my own jokes.
