

HALLOWEEN

SAFETY TIPS

Halloween with Zone Two

Halloween has been celebrated on October 31st in the United States since the early 1800's and is traditionally a family-oriented holiday when children get to dress up and enjoy candy and other treats.

Halloween is an exciting night of the year and a particularly special treat for young children. It is also an important time to be extra vigilant for potential safety hazards. We at Zone Two would like for everyone to have a happy, fun, and safe Halloween by following these tips.

Zone Two is also pleased to present Halloween safety tips as we celebrate the spookiest of cultural holidays.

Tips for a Safe Halloween

Halloween can be a fun holiday for kids, but a worrisome one for parents. Concerns about children's safety--whether they are out in a Zone Two neighborhood or back home with bags of goodies can be stressful. But not to worry! To make Halloween a treat, follow these safety tips.

ADULTS

- Welcome trick-or-treaters with your porch lights and any exterior lights on.
- Monitor your street occasionally to discourage speeding motorists, acts of malicious mischief and crimes against children.
- Report any suspicious or criminal activity to your police department immediately by calling 911
- Do not give homemade or unwrapped treats to children.

MOTORISTS

Exercise extreme caution when driving a vehicle. Be on the alert for excited youngsters, whose vision may be obscured by masks, darting out into traffic.

TRICK OR TREAT TIPS

Make sure your kids dress up safely

- Make sure costumes are flame retardant so children aren't in danger near burning jack-o-lanterns.

- Keep costumes short to prevent trips, falls, and other bumps in the night.
- Try make-up instead of a mask. Masks can be hot and uncomfortable, and they can obstruct a child's vision, a dangerous thing when kids are crossing streets and going up and down steps.
- Make sure kids wear light colors or put reflective tape on their costumes.

Make trick-or-treating trouble free

- Create a map of a safe trick-or-treating route and set a time limit for your children to "trick-or-treat".
- Trick-or-treaters should always be in groups so they aren't a tempting target for real-life goblins. Parents should accompany young children.
- Make sure older kids trick-or-treat with friends. Together, map out a safe route so you will know where they are going. Tell them to stop only at familiar homes where the outside lights are on.
- Try to get your kids to trick-or-treat while it's still light out. If it's dark, make sure someone has a flashlight and pick well-lighted streets.
- Do not go inside anyone's home. Remain on the porch at all times.
- Do not accept rides from strangers.
- Remind kids to keep a safe distance from moving cars.
- Cross only at street corners, never between parked cars, and never diagonally across an intersection.
- Look in all directions before crossing the street, and obey all traffic signals.
- Walk, never run, across the street, and use sidewalks, not the street, for walking.
- Do not take shortcuts through back yards, alleys or parks.
- Do not eat any treats until parents have inspected them.
- Discard any homemade or unwrapped treats.

Check all treats before eating

- It's hard for kids to hold back from eating their treats until they get home. One way to keep trick-or-treaters from digging in while they're still out is to feed them a meal or a snack beforehand.
- Check out all candy in a well-lighted place when your trick-or-treater gets home.
- What to eat? Only unopened candies and other treats that are in original wrappers. Don't forget to inspect fruit and homemade goodies for anything suspicious. By all means remind kids not to eat everything at once or they'll be feeling pretty ghoulish for while!
- Halloween can be a lot of fun for parents and kids alike--if everybody remembers the tricks and treats of playing it safe.

COSTUMES etc:

A note to parents:

- Make sure your children's costumes are not flammable.
- Do not permit your children to wear cumbersome, floor length or vision-impairing costumes.
- Reflectorized stripes make your costume more visible.
- In lieu of masks, we recommend face make up.
- Wear comfortable, safe shoes.
- **Call 9-1-1 if you suspect any tainted candy.**

Trick or Treating is scheduled for Friday, October 31, 2014 from 5:30PM until 7:30PM

Yours in Safety,

Cmdr. Eric Holmes
