Tree Planting Request Form

PROPERTY OWNERS:

PLEASE READ THIS CAREFULLY AND KEEP THIS PAGE FOR YOUR RECORDS

By signing a Tree Planting Request Form, you, the property owner, agree that:

- A City representative will inspect your location and determine whether it is an appropriate site for a tree(s) to be planted.
- A City representative will determine an appropriate tree species for your location.
- You will water the tree (approximately 20 gallons per week—the cost is less than \$1 per year) April through November for two years or make arrangements for the tree to get watered each week.
- You will protect your tree from damage by cars, lawn mowers, etc.
- You will notify the City if the tree appears to be sick or damaged.
- If the site requires it, you give permission for a tree pit to be cut in your sidewalk or pavement. ALL trees must be planted in a tree pit that is a minimum of 30 square feet (typically 3 ft x 10 ft). If you cancel the tree installation after signing this form and the pavement has been cut, you will be responsible for replacing the pavement at your expense.

You understand that:

- Your request for a tree may be denied—not all sites are appropriate for tree planting.
- The tree species for your location will be assigned.
- Street trees and trees in the public right-of-way are the property and responsibility of the City of Pittsburgh. Trees planted outside of the public right-of-way are the responsibility of the property owner.
- Only the City of Pittsburgh can authorize major pruning or removal of street trees.

TREE PLANTING REQUEST FORM

I _____ the property owner of _____
(PRINT/Property Owner Name) (PRINT/Address including "ST." "AVE.")

request that the City of Pittsburgh plant tree(s) on the public right-of-way adjacent to my property. I understand the planting of trees may necessitate the City of Pittsburgh cutting an opening in the sidewalk that is at least 30 square feet (approximately 3' X 10') to accommodate the tree planting.

I hereby acknowledge that I am the owner of the above said property. I hereby request the City of Pittsburgh to supply and install a tree(s) to be located on the municipal right-of-way adjacent to my property. I understand that there is no charge for this service. I agree to perform general upkeep of the tree planting bed by weeding, annually mulching, and providing water for establishment and during drought periods.

I also understand this form does not guarantee that a tree(s) will be placed adjacent to my property. Upon receipt of this request, the TreeVitalize Coordinator will do a site analysis to determine the suitability of planting a tree at this location.
