COMMUNITY MEETING

For Proposed New Development

A new 115 room hotel is being proposed for development at 4520 Penn Avenue. The development team is appearing before the Zoning Board of Adjustment to request variances and a special exception for their intended project.

Join us Thursday, March 23rd at 6:30 PM at the Irma Freeman Center (5006 Penn Avenue) for a presentation from the development team. The project has gone through significant design changes on parking and traffic flow.

Bloomfield Development Corporation is hosting a community meeting in partnership with Lawrenceville United, and Lawrenceville Corporation. While the hotel will be located in Bloomfield, it is in the Penn Avenue Corridor which is shared by Bloomfield and Lawrenceville.
