Community Meeting on 4830 Hatfield and Parking

Please join us at the regularly scheduled 9th Ward Block Watch for a community meeting on a proposed new development project at 4830 Hatfield Street (formerly the Bayard School) on January 17th at 6:30 PM at St. Mary's Lyceum.

Rick Belloli and partners at Q Development are proposing to redevelop the property as 11 rental apartment units with 9 on-site parking spaces. They are seeking a variance from the Zoning Board of Adjustments for use of the property as multi-family housing.

As part of our community process, you are encouraged to attend, learn more about the project, ask questions, and offer any feedback.

Councilwoman Deb Gross will also be in attendance to address concerns around parking and mobility in the 9th Ward and discuss potential solutions.

To learn more, please call Lawrenceville United at 412.802.7220.
