The Cure Restaurant, LLC (Owner: Justin Severino) has applied for approval of the transfer of Pennsylvania liquor license R-9623 for use at Cure. This is a double transfer of the liquor license, and because the license is proposed to transfer from outside of the City, to a location within the City, it calls for City Council Approval in addition to the standard state approval. You are invited to attend to meet the owner and to better understand what is being proposed in your neighborhood.
