Squareview Apartments LP (Chip Desmone, Managing Partner) have proposed a new mixed-use development at 3415-3417 Butler Street. The project will include first floor retail space, and three floors of residential units (12 units in total), with 12 underground parking stalls and 10 bike parking spaces. The plan is still in development, and they have not yet requested any zoning approvals, but have requested a meeting with the community to talk with the community about the proposed plans, and to address any concerns, questions. A meeting has been scheduled for November 25, 2013 St. Augustine's (220 37th Street), 6:30 pm. For additional information please call LU at 412-802-7220 or email info@Lunited.org.
