You're Invited: Community Meeting on 5137 Holmes (Javo Studios)

Please join us for a community meeting regarding 5137 Holmes Street (Javo Studios) on **Wednesday, March 22nd at 6:30 PM at Javo Studios**. On March 9, 2017, Javo Studios appeared before the Zoning Board of Adjustments for use of 2,000 sq. ft of existing structure as retail sales and service (limited), which is a Special Exception under zoning from one nonconforming use to another. The building is currently zoned as a lodge hall/amusement park.

During the zoning hearing, there were some concerns raised by impacted residents, and Lawrenceville United proposed to hold an open and public community meeting to provide an opportunity for residents to understand what is being proposed and work through any concerns, which could then be relayed back to the Zoning Board prior to a decision being made.

As part of Lawrenceville United and Lawrenceville Corporation's community process, you are encouraged to attend to learn more about the proposed use, ask questions, and offer comments.

Questions? Please call LU at (412) 802-7220.
