Roundabout Brewery Update

Roundabout Brewing at 4901 Butler has applied for an extension of their liquor license to cover their outdoor area (see plaid area above). This is not an application for a new license, but rather an extension of premises. This will allow Roundabout to serve their beer outside on the property during their few annual events to take some pressure off the tasting room.

If you have any questions or concerns, please contact owner Steve Sloan at (412) 621-0540 or by email at ssloan360@gmail.com. You can also contact Lawrenceville United at (412) 802-7220.
