Community Meeting on 3330-50 Penn Avenue & 3400-04 Penn Avenue

Please join us at the 6th Ward Block Watch (rescheduled from 5/29 due to Memorial Day) for a community meeting on a proposed new mixed-used development at 3330-3350 Penn Avenue and 3400-3404 Penn Avenue. Lawrenceville Corporation (LC) is working with ACTION-Housing to develop affordable housing across both sites.

Three community meetings have already been held to inform the design of this project. Plans have not changed substantially since the last of those community meetings.

LC is seeking relief from the Zoning Board of Adjustment for side setbacks, billboard sign relocation, and multi-family use in Urban Industrial.

As part of the Lawrenceville community process, you are encouraged to attend to learn more about this development, ask questions, and provide feedback. The meeting will take place **Monday, June 5th at 7 PM at Pints on Penn upstairs (3523 Penn Ave).**

Questions? Please call LU at (412) 802-7220. More information about this development and the community meetings that occurred is available at www.lvpgh.com.
