Zoning Hearing Notice for 4103 Davison Street

The owners of 4103 Davison Street have a zoning hearing on July 13th at 9:40 AM at 200 Ross Street in the 1st Floor Conference Room. They are seeking a special exception from the zoning code for use of portion of integral garage as vehicle/equipment repair (limited). The site is currently used as a single-bay auto repair shop, but was never zoned for it previously. Hearings in front of the Zoning Board of Adjustments are open to the public. Residents may attend to observe or to express support/opposition. Since the project didn't meet the threshold for Lawrenceville United and Lawrenceville Corporation's community process with a public meeting, LU and LC will not be taking a position, but residents are encouraged to attend to have their voices heard. If you have any questions about the zoning process or how to participate, please contact Lawrenceville United at 412-802-7220 or info@LUnited.org.
