Community Meeting - Agenda

1. Review of Community Process & ground rules
2. Presentation from the project team
3. Facilitated Q&A + feedback
4. Closed door discussion
The Lawrenceville Community Process
About Us

• Mission: Improve and protect quality of life for all Lawrenceville residents
• Membership of over 500 residents
• Board of Directors comprised of residents: elected by membership
• Programs: Public Safety, PEP Rally, AdvantAGE, Farmers Market, Cleaning and Greening, Community Events, advocacy, and more.
About Us

• Mission: Serve as the catalyst and conduit for responsible growth and reinvestment in the Lawrenceville community.

• Membership of businesses

• Board of Directors comprised of residents, businesses, institutions

• Focus areas: 21st Century Business District, Market Maturity, EcoDistrict Communities, Riverfront
The Lawrenceville Community Process

Background

• Adopted in 2011
• Moved decision-making from Planning Team to more transparent and inclusive process
• Over 100 development projects and 50 liquor licenses have gone through the process
• Jointly facilitated by LU and LC
Goals

- Community knows what’s being proposed in Lawrenceville
- Community can provide direct feedback to organizations and is equipped to participate in public processes themselves
- Relationships built between businesses/owners and neighbors
- Get out front of potential issues
- Ensure compliance with community plans and priorities
- Build consensus around position
What Projects We Try to Take

Going through an existing public process:

- Zoning Board of Adjustments
- Planning Commission
- URA
- PA Liquor Control Board
- City Council
- Air quality permits through ACHD

*Exception: applications for medical marijuana dispensary/grow facility
What Projects We Try to Take

☐ 4 residential units or more
☐ Use: variances (and some special exceptions)
☐ New structures, expansions, or rehabs: 2,400 square feet or more
☐ Zoning change
☐ Liquor license application or transfer

OR...

☐ Has potential community-wide impact
How Projects Come To Us

- Owner or project team reaches out
- City Planning connects
- LU / LC discovers by monitoring ZBA, Planning Commission, URA, PLCB Hot List, etc.
Clarifying LU and LC’s Role

• We are NOT affiliated with the project
• We do NOT recruit developers/business owners
• We have NO authority to intervene in private transactions of property. The community process only kicks in when there is a public process of some kind (typically a variance from the zoning code or a liquor license application)
Introductory Meeting

- Meeting between LU, LC and developer or business owner to share plans.

Info Gathering

- LU and LC gather and verify information, work to understand approvals necessary, and measure plan against current community plans and priorities.

Community Meeting

- An open and public community meeting is held to give the owner or developer a chance to present vision and plans to the community.
- Community asks questions, identifies any concerns, gives input to LU and LC.

Outcomes

- LU and LC attempt to work on any concerns, take position(s) on the project.
Getting the Word Out

✓ Flyer within 500 feet
✓ LU website
✓ LU e-newsletter
✓ LU Facebook, Nextdoor Lawrenceville
Community Meeting - Agenda

1. Review of Community Process & ground rules
2. Presentation from the project team
3. Facilitated Q&A + feedback
4. Closed door discussion
Ground Rules

1. Please hold all questions for the end of the presentation. We will go back to a slide if there is a specific question or comment, so please jot down notes that you may want to revisit when we open it for Q&A.

2. Once opened for Questions and Comments, please raise your hand and only proceed with your question or comment once you have been acknowledged by the facilitator. Please also identify yourself by name, and also your relationship or interest in the issue.

3. Please be respectful of all speakers, including those asking questions and making comments.

4. Questions/ comments will be limited to 2 minutes each. A clarification question or comment will be permitted.

5. If time permits, we will call on individuals who would like to ask or make a second or additional question or comment.

6. Please also use index cards available if you’d like to submit a comment or question but are not able to in the meeting. We will compile as part of notes from the meeting.

7. If the ground rules are violated or ignored, we will ask the individual to leave the meeting, and if it continues, we will end the meeting.
Community Meeting - Agenda

1. Review of Community Process & ground rules
2. Presentation from the project team
3. Facilitated Q&A + feedback
4. Closed door discussion

---

Mintwood Warehouse – Proposed Conversion

Project Summary:
- Developer: Lawrenceville Properties LLC
- Project Architect: DiBiase Architects

Property Information
- Address: Existing Warehouse building along Mintwood Street. (Address 7777)
- Lot and Block: Consolidated lots (49-N-294, 49-N-288 & 49-N-272)
- Lot Size: 13,800 SF (once we consolidate lots)
- Zoning: R10-H (High density)

History: Little is known about the age of the building, however, we do know that at some point the building was used for Warehouse storage use for Giant Eagle. At one point the building had ample window openings and was filled with natural light, but over the years, those windows were continually infilled with concrete block until there were only a few windows still able to be viewed from the exterior. The building has been vacant for over a decade, but remains in great shape on the interior and exterior.

Project Overview: Project consists of conversion of existing warehouse space to new multi-family residential use.
- Project will contain 17 total units for sale, interior parking and amenity spaces.
- The project also consists of a new 8-car parking area off of Woodley Way in the rear of the site.
- Total vehicular parking spaces will be 28. Unit sizes vary between 1200 SF – 2000 SF, and will all have access to exterior deck and patio space off of the back of the building. Changes to the facade include: re-installing glass where old glass has been removed and infilled with block, and providing new doors for unit access.

Current Status: Currently the project is in the Design Development and consultant coordination stage. We have met with the city and have completed our initial site plan review and design reviews, and are working towards bidding the project in Mid-Late February.

Anticipated Timeline: Project commencement date of Summer 2018, estimated construction completion date of Spring/Early Summer 2019.

Zoning Variances: Special exception for nonconforming use/change of use to residential (multi-family)
- Administrators exception for roof deck setbacks.

Date and time of ZBA hearing: March 8th (still to be confirmed)
Redevelopment of Holy Family Church and School Buildings

November 20, 2018
History

• May 2012 – First Community Meetings
  • 80 Residential Units | Neighborhood Opposition

• Collaborated with LU, LC and Residents to Craft Revised Plan

• October 11, 2012 – ZBA Hearing
  • With LU, LC and 40+ residents in favor

• January 2013 – ZBA APPROVED Variance Request

• February 2013 – Next Door Neighbor Appeal ZBA Decision

• Spent the next 3+ Years in Court with Next Door Neighbor

• Feb 2016 – Settlement Agreement on ZBA Appeal (confidential)
History Cont.

- November 2016 – Listed Property for Sale
  - Selling the Building and Modified Zoning Approval

- December 2017 – Sign Agreement with Potential Buyer
  - Planned was to demolish all structures and build townhouses

- April 2018 – Discuss demolition request with LU, LC, LS, LHS and Next Door Neighbor

- May to June 2018 – Submitted and later withdraw Demo Application

- June 2018 – Church Nomination

- Collaborated with LU, LC, LHS and PP on future development plans
  - Agreement focused on site restoring church building, site maintenance, future sales plans and redevelopment process
Today’s Objective

- Present Preliminary Plans
- Gather and Discuss Ideas
- Open Q&A Session
